Curriculum Vitae

I am a Fellow of the Institute and Faculty of Actuaries having qualified in 2001.

In 1993 I graduated from the University of Leeds with a BSc (Hons) in Mathematics and Statistics. In 1997 I obtained a PhD in Statistics, again from the University of Leeds.

I joined Garvin Trustees Ltd, a firm of consulting actuaries which is now part of Barnett Waddingham, in 1997 as a trainee actuary and qualified in 2001. At Garvins I was involved in advising on occupational pension arrangements to trustees and employers covering both defined benefit and defined contribution pension arrangements. I held a Scheme Actuary certificate from 2004 until 2006.

Since December 2012 I have been working at Mathieson Consulting preparing and advising on expert witness reports on divorce.

Mathieson Consulting has advised on over 1,000 different divorce proceedings over the past 10 years, undertaking a forensic analysis of benefit disclosure and advising both instructing solicitor and Counsel upon the options available and the ramifications for their clients.
